

## Company Overview

AGS Digital is a forward-thinking leader specializing in IT services for federal clients. As a joint venture between AG Federal [A division of Arthur Grand Technologies] and ScribeDoc, we bring over 22 years of combined expertise to drive enterprise modernization and transformation through innovative solutions and emerging technologies. Our focus is on optimizing operations, enhancing efficiency, and delivering measurable results in mission-critical areas. We excel in streamlining processes and standardizing operations to create structured, efficient, and impactful solutions.
